How to find us

On Foot from the train station

From Horsham Station turn left and walk towards the centre of town, along North Street, you will pass Parkside on your right, go over the bridge across the dual carriageway and into the Carfax. In front of you will be the bandstand, turn right and follow the path around to Waterstones book shop on the corner. Turn right onto West Street and continue until you reach a tunnel on the left (opposite Jones Bootmaker). Turn left and continue through the tunnel until you reach The Forum Shopping Centre. Continue straight ahead through The Forum Shopping Centre passing TK Maxx on your right. Exit the Forum Shopping Centre and continue towards the Library. Follow the footpath until you reach the roundabout and entrance to Sainsbury's. Please take extra care crossing this busy roundabout and continue straight ahead past Prewetts Mill.
